## TWO WAY BOOKSHELF MTM SPEAKER SIGNATURE AND REFERENCE OPTIONS

Your best choice bookshelf speaker for medium to larger rooms. This flexible design is a fantastic stereo bookshelf speaker or for all channels in home theater applications.

This popular MTM (mid-tweeter-mid) configuration sets the standard for home theater sound and combines the power of multiple drivers for greater dynamic response and directivity.

# 661-SF 661-SF/R

The reality of a perfectly timbre-matched home theater is possible when using the 661-SF. This speaker can be used as left and right main channels for music and home theater systems, or can also be used as a center channel or surround channel. The versatile 661-SF utilizes dual 6½-inch aluminum cone woofers and a 1-inch fabric dome tweeter to deliver life-like dialog and vibrant on-screen sound effects with superb clarity. Team these with one or more RBH Subwoofers to complete your dream theater.

Want to enhance your experience even further? The 661-SF/R is the answer! This upgrade includes:

- RBH Reference AMT tweeter
- Dual RBH Reference aluminum mid driver with solid metal phase plugs
- Enhanced crossover circuit

## SF-SERIES Freestanding Bookshelf On-wall

- Available in black or silver, signature or reference aluminum drivers

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the SF, SV or SI-Series

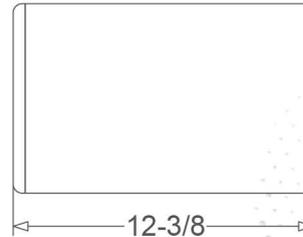

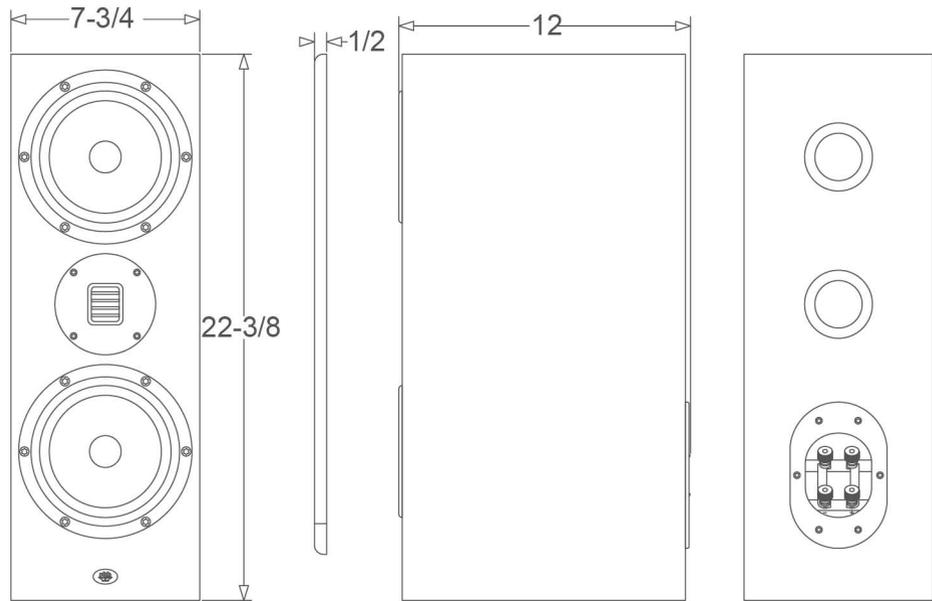

- Individually hand assembled and tested. Cabinet made in USA of High Density Fiberboard (HDF)

\*Limited Warranty for 10 years (with registration) from date of purchase to be free from defects and workmanship. For more information contact your RBH dealer or check our website.

It is RBH Sound policy to continuously incorporate improvements into products; all specifications are subject to change without notice.
