5 1/4" SPEAKER SERIES

COMPACT YET VERY CAPABLE!

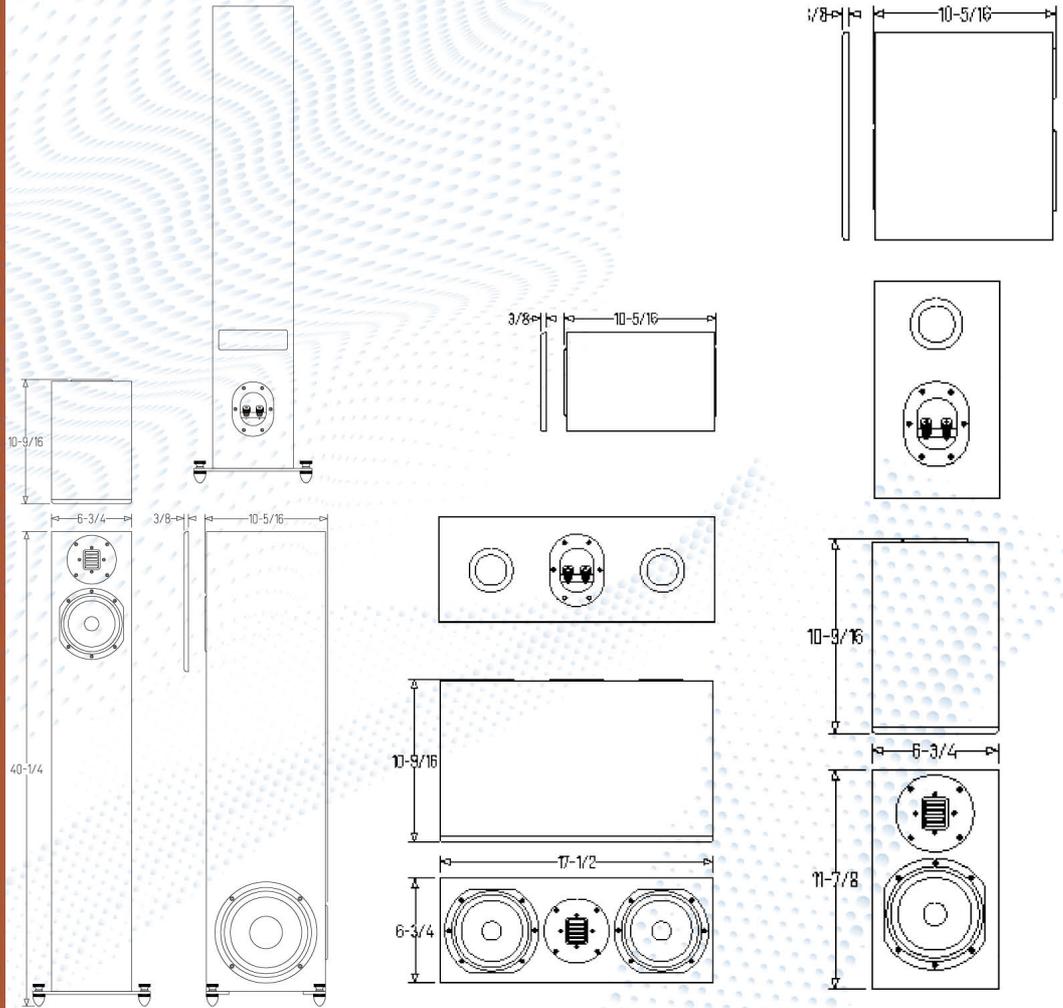

You will love the uncompromised value, and performance with the AMT tweeter upgrade. A truly compact size with clear and airy highs. Hand made and tested by RBH Sound in the USA.

RBH Inspire speakers are timbre matched to other RBH in-room, in-wall and on-wall products to create unlimited options for your needs. Available in satin white or black.

Inspire Series

The new Inspire Series with Reference tweeter upgrade! Keeping the line affordable yet exotic. Comprised of three upgraded models. The Inspire 85 tower, Inspire 55 MTM and the Inspire 5 2-way bookshelf. Combine them with the matching Inspire 12 subwoofer and you'll enjoy a full range system that will excel at stereo music or theater quality performance for medium sized rooms with all the finesse and quality of AMT technology. The sound RBH is famous for at prices that are hard to beat for this level of acoustic purity and build quality. For even more installation options combine these with our on-wall models Inspire 5-W and Inspire 55-W. Add your choice of our in-ceiling 6.5in speakers and a second Inspire 12 subwoofer for a full Dolby Atmos® experience that will rival most theaters. Get exceptional performance for a price that may seem "too good to be true", yet, here it is!

Inspire Series

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the SF, SV, SW or SI-Series
- Cabinet made in USA of High Density Fiberboard (HDF)
- Available in satin white or black

*Limited 10 Year Warranty (with registration) from date of purchase to be free from defects and workmanship. For more information contact your RBH dealer or check our website.
