# A-815D

## Dual-channel In-ceiling Loudspeaker

### Applications:

The A-815D combines the performance of the A-815 with the convenience of a dual-channel design. Dual voice coils and dual 1-inch swivel tweeters provide high fidelity and stereo sound in a single, easy to install, flush-trim design. The A-815D is perfect for rooms and locations requiring both left and right stereo channels from a single speaker and a full, deep, rich sound.
