

HS-615

COMMERCIAL HANGING SPEAKER

The HS-615 is a self-enclosed speaker primarily designed to hang from a provision in the ceiling. Perfect for displays and kiosks. The HS-615 features a switch that can be set for wider coverage. With its built-in 70 Volt transformer, the HS-615 has the capability to be connected to either 8 Ohm or 70 Volt audio systems. The high quality 6½-inch Polygraphite cone provides rich mid-range and mid-bass while the swivel tweeter delivers crystal clear high frequencies. Available in black or white.
