

MS-10.1

POWERED SUBWOOFER

The MS-10.1 features a dual 10-inch aluminum cone subwoofers, a 250 Watt amplifier and RBH's exclusive Tuned Aperiodic Vent (TAV™) technology, the MS-10.1 is capable of remarkable bass output given its compact size. With bass extension below 30Hz, the MS-10.1's performance is on par with much larger subwoofers. Look no further if a compact, full featured, high performance subwoofer is what you're looking for.
