

TS-12AP

POWERED SUBWOOFER

The TS-12AP, with its 12-inch aluminum cone driver, pounds out rock-solid bass down to 27Hz and complements practically any music or home theater system.

With its integrated 200 Watt amplifier packed with features, the TS-12AP is not for the faint of heart! The TS-12AP's front-firing ports and driver makes it a great subwoofer to integrate into custom cabinetry.
