S-12

POWERED SUBWOOFER

With its integrated amplifier and 12-inch aluminum cone woofer, the S-12 adds detailed, pounding bass to any system. It does all this with a cabinet size that is smaller than you'd expect. When you want to rock the house without rocking the budget, the S-12 is the perfect choice. The simply beautiful phantom black finish prevents reflections and resists scratches, scrapes and smudges.
