

441-SE

LCR/CENTER SPEAKER

The 441-SE makes assembling a perfectly timbre matched home theater system a reality. It also makes a great center channel compliment to any pair of main speakers in the Signature Series lineup. The 441-SE offers dual 4-inch ultra-rigid aluminum cone woofer delivery unsurpassed detail and accuracy. The aluminum woofer can effortlessly handle any sharp explosion and flawlessly reproduce the softest musical note. The 1-inch silk tweeter is capable of handling very high temperatures, while increasing power handling and greater sonic accuracy. The 441-SE loudspeaker is designed for home theaters and listening rooms where extreme performance and high fidelity is a must.
