

61-SE/R

BOOKSHELF SPEAKER

Perfect for smaller listening environments and home theaters, the 61-SE/R is no ordinary bookshelf speaker. The reference version of the 61-SE, the 61-SE/R outperforms other bookshelf speakers in and above its class with ease due to the use of reference-grade components. The 61-SE/R also shines as a surround speaker in a Signature Reference home theater system.
