

6100-SE

LCR / CENTER SPEAKER

Designed for larger rooms and home theaters, the 6100-SE excels at filling larger listening areas with stunning clarity and high fidelity. The 6100-SE can be used vertically as left and right main channels for music and home theater systems, or it can be used horizontally as a center channel for larger home theater systems. Shown here in mahogany finish, this model is only available in custom wood finishes.
