12-SE

Powered Subwoofer

Applications:

This 12-inch powered subwoofer delivers plentiful amounts of strong, crystal-clear bass for music and theater systems. Powered by a feature-laden 300 Watt integrated amplifier, the 12-SE delivers strong, coherent bass down to 24Hz without breaking a sweat. The 12-SE can be easily incorporated into any system due to the abundance of adjustments and settings of the on-board amplifier.
