

1010-SEP

POWERED SUBWOOFER

RBH designed the 1010-SEP to provide timbre-matched sound consistent with the high value of the Signature Series lineup. The 1010-SEP is a powered, dual 10-inch aluminum cone subwoofer. A powered version of the 1010-SEN, the 1010-SEP delivers clear and coherent bass down to 20Hz! Featuring a front-firing port, the 1010-SEP is also a great subwoofer to integrate into custom cabinetry. The 1010-SEP utilizes an integrated 400 Watt power amplifier packed with features and controls. The 1010-SEP is the perfect powered subwoofer for larger home theater and music systems. This model is only available in custom wood finishes.
