

SX-1010P/R

POWERED SUBWOOFER

The SX-1010P/R is the result of the successful fusion of dual 10-inch aluminum cone woofers with an integrated 500 Watt RMS power amplifier. The SX-1010P/R boasts overwhelmingly deep and stalwart bass with clarity not typically found in subwoofers capable of such high output levels. With the power fed into dual 10-inch long-throwing woofers this makes the SX-1010P/R one the most powerful and highest performance subwoofer that RBH manufactures.
