BOOKSHELF SPEAKERS

The R-5E bookshelf/surround speaker offers a great degree of flexibility and will add elegance to any home theater. The 5¼-inch aluminum woofer accompanied by a 1-inch aluminized nano-silk dome tweeter delivers effortless, life-like mid and high frequencies. 5-way binding posts ensure solid electrical connections and accept a variety of wire gauges. Available in a standard phantom black, a satin finish designed for dark theater rooms where reflections are not ideal, it also resists scratches, scrapes and smudges. A gorgeous high-gloss black finish is also available which will add high-end panache without the high-end price.
