

IMPRESSION SERIES

SPEAKERS AND SUBWOOFER

I-12

POWERED SUBWOOFER

Designed to redefine the way you experience bass, the Impression Series I-12 powered subwoofer is absolutely stunning, both audibly and visually. The I-12 is the result of many years of research and development aimed precisely at surpassing the competition's offerings, even at higher price points. The I-12's subwoofer driver features RBH's proven, proprietary aluminum cone technology and adds considerable deep bass performance to your home theater or audio system.
