

6600-SW | 6600-SW/R

SW series

rbh signature product

standard or reference

Install as Left-Center-Right (LCR) or Large Screen Center-Channel

LARGER ROOM LCR SOUNDBAR

HIGHER OUTPUT - TWO SIZES

Proprietary AMT Tweeter
(Fabric dome standard)

HDF Cabinet Construction

Cast Alu Frame, NBR Surround

Black Anodized Aluminum Cone
Solid Metal Phase Plugs

Your solution for a larger screen with the convenience of a LCR soundbar installation. Or make it a dedicated wide center channel for larger room screens to handle your bigger theater!

Easy French Cleat Mounting

Magnetically Attached Grille

French cleat speaker mounting is secure and simple. Combine with RBH 661-SW and 61-SW models plus one or two of our 12in Subwoofers to achieve big sound in just a few hours!

6600-SW 6600-SW/R

Your big TV needs this bigger soundbar. We loaded the SW version with six of our proprietary 6-1/2" cast frame alu cone drivers and three of our versatile satin fabric dome tweeters all housed in our locally hand made HDF cabinet to make a LCR sound bar that will handle the output you require to enjoy that great picture in larger spaces. The 6600-SW is made to fit two popular larger TV dimensions, 75 and 85 inches.

Move up to the 6600-SW/R which includes our proprietary AMT tweeters providing enhanced clarity and increased response. Combined with the reference mid-woofers which feature phase plugs that aid cooling and increase cone action improving overall power handling. Add RBH 61-SW/R or 661-SW/R plus a RBH Subwoofer to complete your big sound yet easy to install system.

On-Wall-SERIES Signature & Reference

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the SF, SV or SI-Series

- Individually hand assembled and tested. Cabinet made locally in USA of High Density Fiberboard (HDF).
