Impression series

rbh impression product

IMPRESSION 5 1/4" ANGLED SPEAKER ON-WALL OR ON-CEILING!

magnetic fabric grille
black or white

French cleat wall mount or
proprietary ceiling mount

Proprietary fabric dome or

5-1/4" reference w/ phase plug

You will love mating these with our equally great sounding compact 2-way Impression flat-faced speakers to add height dimension transforming your theater to be totally

As usual, these speakers are timbre matched to other RBH in-room, in-wall and on-wall products to create unlimited options for your needs. Available in satin white or black.

5a-iw 5a-iwr

The 5a-iw on-wall/on-ceiling speaker is a flexible choice for your smaller to mid-size theater design. It can serve as very capable height channels, side effects, or rear-surrounds. Mate it with the 55-iw as center channel or a Impression Soundbar as LCR and a RBH subwoofer to complete an amazing, budget friendly theater. With a very simple ceiling mount solution, you'll be thrilled about the quick and easy installation! Wall mounting is also easy via French cleats. Ceiling mounting hardware is by request and included in the pricing. Move up to the 5a-iwr which includes our proprietary AMT tweeter increasing accuracy and power handling. The phase plugs in the mid-woofers provide cooling and enhance cone response. Add a matching RBH soundbar and 12in sub for a great system in minimal time. Also a perfect size for whole-home

audio and no big holes to cut!

On-Wall-SERIES

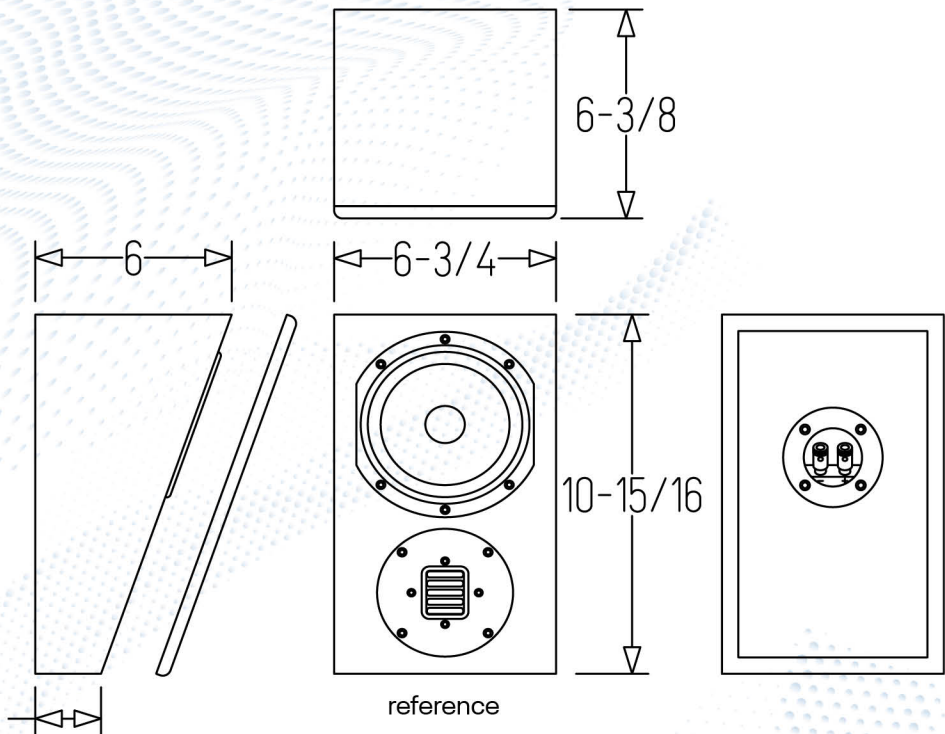

Impression
&
