AMT tweeter (reference)

NBR Surround

5-1/4" reference w/ phase plug
black alu cone, cast basket

HDF construction

You will love mating these with our equally great sounding compact 2-way flat-faced speakers to add height dimension transforming your theater to be totally immersive!

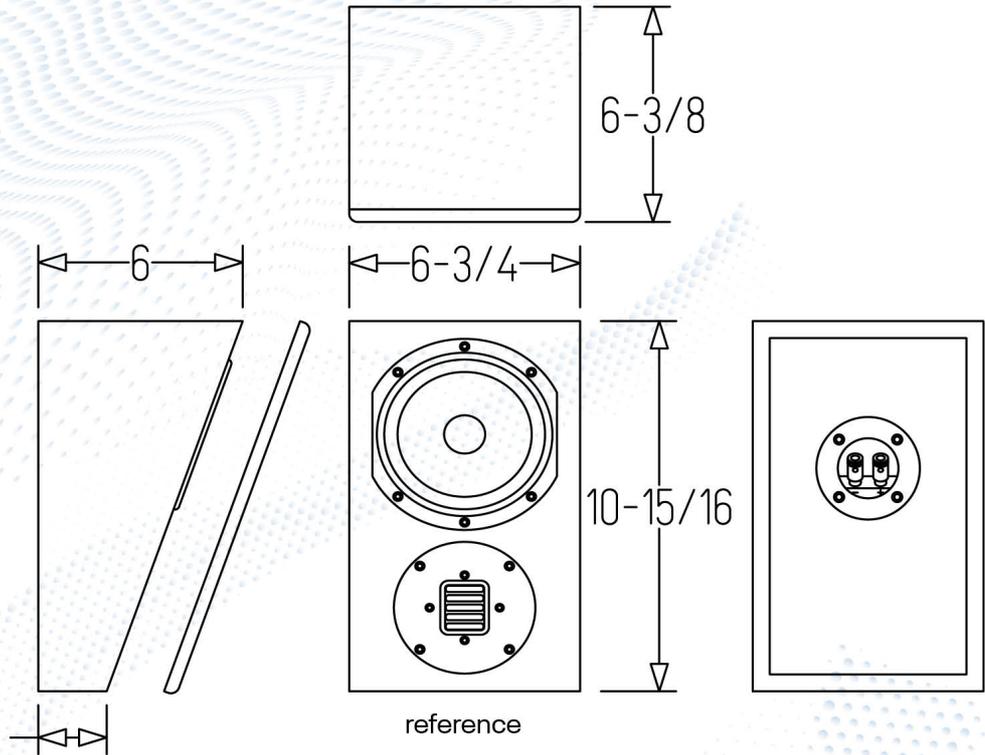

As usual, these speakers are timbre matched to other RBH in-room, in-wall and on-wall products to create unlimited options for your needs. Available in satin white or black.

Impression 5-AW

Inspire 5-AW

The Impression 5-AW on-wall/on-ceiling speaker is a flexible choice for your smaller to mid-size theater design. It can serve as very capable height channels, side effects, or rear-surrounds. Mate it with the 55-W as center channel or an Impression Soundbar as LCR and a RBH subwoofer to complete an amazing, budget friendly theater. With a very simple ceiling mount solution, you'll be thrilled about the quick and easy installation! Wall mounting is also easy via French cleats. Ceiling mounting hardware is by request and included in the pricing. Move up to the Inspire 5-AW which includes our proprietary AMT tweeter increasing accuracy and power handling. The phase plugs in the mid-woofers provide cooling and enhance cone response. Add a matching RBH soundbar and 12in sub for a great system in minimal time. Also a perfect size for whole-home audio and no big holes to cut!

On-Wall Impression and Inspire Series

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the Impression, SF, SV or SI-Series
- Cabinet made in USA of High Density Fiberboard (HDF)
- Available in satin white or black

*Limited 10 Year Warranty (with registration) from date of purchase to be free from defects and workmanship. For more information contact your RBH dealer or check our website.
