# Impression 5-W Inspire 5-W

The Impression 5-W on-wall speaker is a very capable choice for your smaller to mid-size theater design. It can serve as left-right main front channels, side effects, rear-surrounds or any number of surround channels. Mate it with the Impression 55-W as center channel and a RBH subwoofer to complete an amazing, budget friendly theater. Add RBH ceiling speakers for Atmos integration and the overall experience will astonish you! Wall mounting is easy via French cleats. They also stand quite well on their own if a bookshelf speaker better fits your needs.

Move up to the Inspire 5-W that includes our proprietary AMT tweeter increasing accuracy and power handling. The phase plugs in the mid-woofers provide cooling and enhance cone response. Add a matching RBH soundbar and 12in sub for a great system in minimal time. Also a perfect size for whole-home audio and no big holes to cut!
