## LCR SOUNDBAR

### SMALLER BAR - BIG SOUND!

Your LCR/Center solution that's compact yet robust enough to handle your big screen adventures in a smaller to mid size theater. Big sound yet pocketbook friendly. That's a win win!

French cleat speaker mounting is secure and simple. Combine with RBH 55-W and 5-W models plus RBH 12in Subwoofers to quickly achieve amazing sound in just a few hours!

# Impression 56-SB

## Inspire 56-SB

Truncated cast frame reference drivers, your choice of either our versatile satin fabric dome tweeters or our lauded AMT tweeters all housed in our locally hand made HDF cabinet result in a amazing performing sound bar. Add the ease of installation and you'll have your theater experience ready in minimal time. The Impression 56-SB is made to fit the three most popular TV dimensions, 65, 75 and 85 inches. Mounting is easy via a "French cleat" system.

The Inspire 56-SB brings it up a notch with our proprietary AMT tweeters that enhance clarity and increase power-handling. The phase plugs in the mid-woofers provide cooling and faster cone response. Opt to install as a broad center channel and add combinations of Inspire 5-W or Inspire 55-W plus a RBH Subwoofer or two to complete a system to truly be proud of.

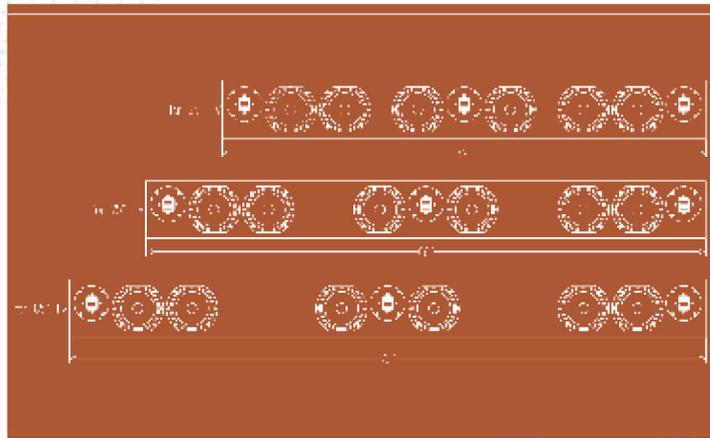

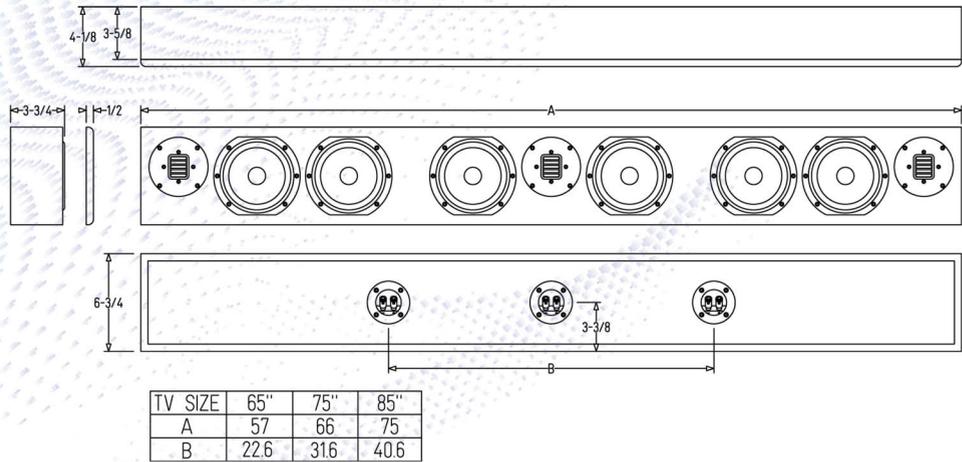

### On-Wall Impression & Reference
