You will love the ease and flexibility of these impressive 2-way on-wall speakers. Add surround or height effects channels to your theater and whole home audio to any room.

These on-wall speakers are timbre matched to most other RBH in-room, in-wall and on-wall products to create unlimited options for your needs. Available in satin white or black.

Premier 81-W Premier 81-AW

Your theater will be elevated to the cutting edge of realism with this 8 inch driver duo of on-wall speakers. The Premier 81-AW is a perfectly angled height speaker to tuck up around the ceiling edges of your theater. Add the Premier 81-W for your lower surrounds. Combined with your RBH front stage speakers and supporting subwoofers will result in a truly breathtaking, immersive experience! The stellar AMT tweeter and our proprietary 8-in aluminum cone woofer combination offer increased response, enhanced clarity and dispersion plus higher power handling. These speakers are well suited for Dolby Atmos® height effects enabling easy installation of your dream theater. The 81-W can also be located throughout the home for sublime music enjoyment. Mounting is fast and efficient easy via "French cleats"

On-Wall Premier Series

- Available in black or silver anodized RBH proprietary 8 inch aluminum drivers

- Provides timbre matched options for multi-channel sound across all freestanding, bookshelf, on-wall and in-wall products in the RBH Family of speakers

- Cabinet made in USA of High Density Fiberboard (HDF)

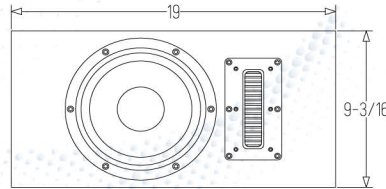

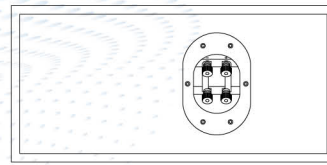

- Available in satin white or black

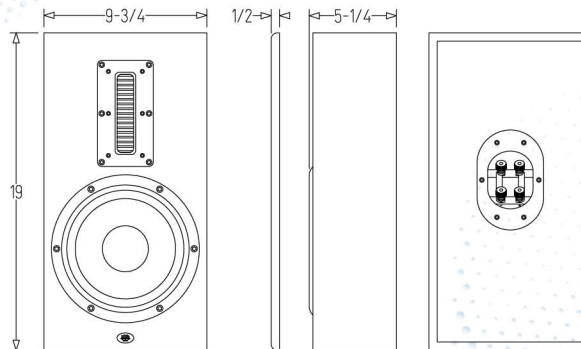

*Limited 10 Year Warranty (with registration) from date of purchase to be free from defects and workmanship. For more information contact your RBH dealer or check our website.
