# Impression & Inspire series

by **rbh** sound

## MTM with DUAL 8inch Woofers

### COMPACT YET MIGHTY!

Proprietary AMT tweeter, RBH fabric dome in Impression

Proprietary 5.25" Aluminum Cone with phase plug and NBR surround

Magnetic fabric grille

RBH term cup with 5-way binding posts

Proprietary 8" Alu cone woofer drivers x 2

RBH solid aluminum outriggers & feet

HDF Cabinet made in USA

You will love the uncompromised value, and performance with the AMT tweeter upgrade. A truly compact size with clear and airy highs. Hand made and tested by RBH Sound in the USA.

RBH Impression and Inspire speakers are timbre matched to other RBH in-room, in-wall and on-wall products to create unlimited options for your needs. Available in satin white or black.

# Impression and Inspire 88

The Impression and Inspire 88 towers, two very capable compact towers with surprising performance belying their size. You will love their svelte and modern appearance. Not only because of their ability to blend and actually enhance your décor but also due to the stellar performance they are capable of. Your audio and video entertainment will be next level! The imaging is precise and lifelike due to the narrow cabinet and high quality 5.25in truncated drivers featuring proprietary aluminum cone technology and real, solid metal phase plugs which provide cooling, increased power handling and allows the cone to react faster, thus increasing response and accuracy. Stepping up to the Inspire 88 upgrades from our very capable fabric dome tweeter to our AMT tweeter. Even better clarity, superior transient response and lower distortion, especially at increased levels due to higher power handling capability.

## Impression and Inspire

- Provides timbre matched options for multi-channel sound across all models in the entire RBH Sound cabinet lines

- Cabinet made in USA of High Density Fiberboard (HDF)

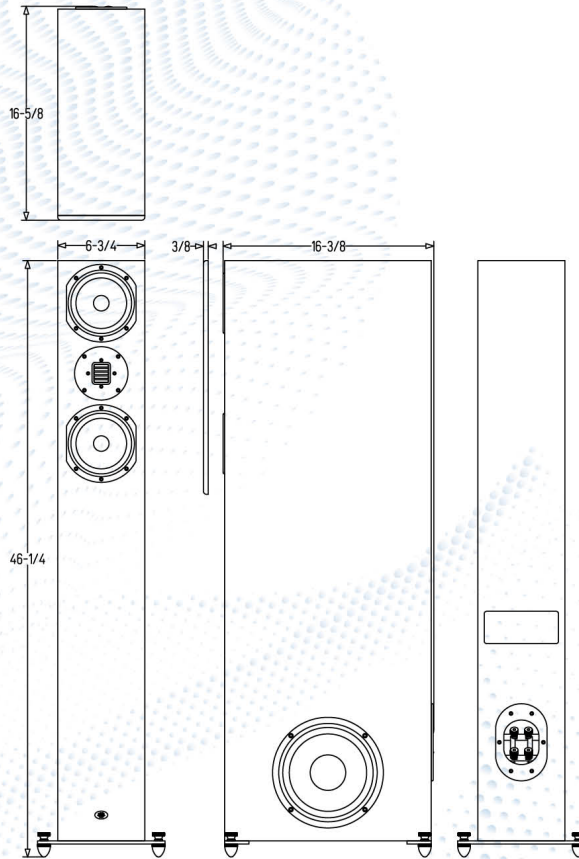

- Available in satin black or satin white

\*Limited 10 Year Warranty (with registration) from date of purchase to be free from defects and workmanship. For more information contact your RBH dealer or check our website.

It is RBH Sound policy to continuously incorporate improvements into products; all specifications are subject to change without notice.
